2.	Marodna Milicija, a s	st, which is rigidly guarded pecial violet-colored pass si patrols are stationed in the	gned by General Lekic	
3.	Participating in the construction of the platforms are engineers of the "Hanier" brigade, which is attached to the logistic command of the "Benja" division, and German FWs who are brought in daily by auto from Tribussa Superiors.			
<b>1</b> .	The work is directed by the Soviet Colonel Tumulkiev and the officers in charge of the work are headed by a Major Mugos.			
5.	On the road from Idria to Voschia along the descent there is a sign bearing the inscriptions:			
	٧.	P.I. ("Slovenski Primorije I P. 46-412 ("Vojna Posta") 'J.A ("IVth Jugoslavenske	•	
<b>6.</b>	It was ascertained in January 1948 that small cement forts with a base diameter of five meters and a height of 2.50 meters were also under construction in this area. Judging from the dimensions of these forts, it is balisved that the prefabricated iron bar mate previously reported to have arrived ready for use at Logatec are being employed.
